Description:

1995 Toyota 4Runner · Suv · Driven 208,000 miles

1995 4 runner for sale, I bought this last week and was going to turn it into an off road vehicle but I had an unexpected medical bill come up so I'm trying to sell it, the motor runs good and the transmission shifts good. It has a 3500lb winch on the front and is rhino lined half way up the cab, I was going to finish it in black if I was going to keep it. Price is 4000 obo. All reasonable offers considered. FCFS, no holds.
