Listing details

Description:

Rent our cozy, ultra lightweight and super easy-to-pull Boony Stomper! This camper comfortably sleeps 2. Some families with small children can fit 3, but its cozy fit! ;-) This unit has a ceiling fan, solar charger and Jackery power inverter for charging small electronics. It also has an easy to use awning.

This great camper can be pulled with any vehicle. At around 700 pounds, many people use side by sides, atvs, pickup trucks, SUVs or even small electric vehicles to tow it.

The Boony Stomper is the perfect off road teardrop trailer for anyone seeking to get out and explore. All of the essentials and none of the frills is what sets the Boony Stomper apart. With a full-sized bed, and an ultra-lightweight design you can go farther and explore more. The Boony's extreme suspension is designed, engineered, and tested at high speeds, on the roughest terrain. Finally a camper trailer you can tow behind any vehicle including your UTV without disrupting your ride.
