Description:

Are you planning a luxurious California road trip? Look no further than the "Yardman2" high-end camper van, which offers every possible comfort and convenience. With a retractable murphy bed, gourmet kitchen, and state-of-the-art interior design, you can travel in style and comfort.

Begin your journey at Hollywood RV Park and cruise in style toward Santa Monica Pier. Spend the night at the Malibu Beach RV Park, where you can enjoy the stunning views while sipping champagne under the awning and lounging in the camping chairs. After a day at the beach, rinse off in the hot outdoor shower and refresh for your evening activities. Cook up some local prawns on the high-end induction cooktop, and take advantage of the full kitchen setup to meet all your needs. The Yardman2 camper van has 2 comfortable beds designed to satisfy, up to four guests.

Day and night comfort is a given with a furnace water heater system, water filter (reduce plastic use), 3 zones dimmable 12v LED strip to Arctic Tern side awning windows, maple cabinetry, sheep wool insulation (for environmental purposes), and a console that allows you to see how much battery, clean water you have left. It has stainless steel sink and faucet, and a refrigerator. There is also more than enough space to store your essentials. Moreover, it boasts a 4-zone dimmable LED light system and enough battery to power modern tools. It has 300 amp hour of Lithium battery, 230W of solar charging power, a second alternator charging system, and a shore power connector.
