Description:

Explore the beautiful Flathead Valley in our AWD Transit buildout! Pickup close to many famous destinations, including Glacier National Park, Whitefish Lake, Flathead Lake, Flathead National Forest and so much more. This van is the ultimate glamping mobile, and is truly an airbnb on wheels. We have a comfy queen sized bed with linens and pillows which will make sure you don't sacrifice your sleep while enjoying the great outdoors. The queen bed can fit 2 adults, and maybe a small child depending on the family. Everything in the van is already set up, meaning you can spend more time searching for the perfect spot and less time building your camp. You also don't need to worry about finding a camp with showers, as this van has a built in shower AND toilet! This way if you want to enjoy a nice dinner on your vacation you can go from the campsite to the restaurant without the camping funk. Truly unlocks the best vacation experience in Flathead! When its time for a meal, just pull out the built in pull-out kitchen, equipped with a 2 burner stove, sink, and storage. Keep your food cold with our optional Dometic fridge/freezer that also slides out conveniently. Both slide right back quickly and easily to make packing a breeze! Take the opportunity to jump to multiple camp sites during your visit, so you're never stuck at one. The best part is the van not only gets you somewhere to sleep, it can get you around the area as well. No need to rent a car as we offer airport drop off and pick up for an additional fee (\$75), available in the Glacier National Park airport in Kalispell. Enjoy all the real beauty of Montana's outdoors, without having to drive a big clunky RV. Book with Hele Adventure Rentals today!
