## Listing details

### Description:

We love the flexibility of our Vandoit DO model van and think you will, too. Need space for you and your five favorite people? With two full bunk beds and mattresses on the floor you can haul and sleep up to six. Traveling with a smaller group? Remove the extra beds and seats for a roomier space. Configurations can vary to accommodate anywhere between 1 and 6 campers.

Hills & Valleys also has your back in a campground with the shore power hookup or when boondocking with the solar panels and inverter. With a furnace and two overhead fans, you can be comfortable in nearly any weather.

Happy Chance has you covered with the ability to create a little bit more privacy with the hanging curtain stall located inside the back door of the van. You can also use the stall to take a quick shower using the 6-gallon water tank with on-demand water pump and hot water heater.

Our hope is that at the end of your adventure you'll say, "That was a Happy Chance."
