### Listing details

#### Description:

La Casita is equipped with everything you need for a Texas road trip! You will have everything from a kitchen sink, gas stove, refrigerator, kitchen table, queen bed, and plenty of storage for all of your adventure gear. You'll also find small details like cooking utensils, pots and pans, cooking oil, coffee pour over, bottle opener, etc. We try to include everything to make your trip convenient and comfy!

When camping, you have access to an AC and a vent fan so even when the weather gets warm, you will stay comfy! All of this \*plus more\* runs on solar power but should you need it, there is a 30amp power hookup to shore power.

**\*\*Summer month note: for max comfort we suggest booking a site with 30amp hookups to run the AC all night\*\***

Our van is equipped with seat belts for two people only -- unfortunately we can't allow you to legally travel with more than two people.

We are pet friendly -- we just suggest bringing your pup's carrier for safety while traveling.

Want to plan ahead and customize for a special occasion? Flowers, stocked fridge, bottle of champagne, etc. Just get in touch with me beforehand and we can set you up with whatever you need to make the trip amazing.
