#### Description:

Comfort and luxury are a top priority and it shows. The Ultimate Cruiser 144 offers the same luxurious amenities as every Ultimate Toys Sprinter conversion van, but it is the same length as your typical SUV. Parking and maneuverability are a breeze. The shorter length makes it ideal for daily driving around town. Perfect for a large family or group outings on the weekends. Full Bathroom: the Ultimate Cruiser 144's exclusive floor plan has been engineered to offer you the extra space – not found anywhere else, but Ultimate Toys®. So, no more searching for public restrooms or extra stops along the way to your destination. The classy and beautiful Maybach ceiling paired with the extended height of the Sprinter allows for plenty of headroom and makes it possible for everyone to completely stand up and walk around.
