Listing details

Description:

"Kalysta" the tan van is a well cared-for 2006 Dodge Sprinter van conversion. She has moderate miles for a Mercedes diesel engine, and she's recently had all the glowplugs replaced. We bought her from a van conversion company a couple years ago so most of her upgrades have been done by the professionals. She's absolutely perfect for weekend and camp-in festivals.

Van Perks:

- killer sound system with subwoofer & bluetooth
- shore battery for accessories
- mini-fridge cooler
- outdoor shower w/ catch basin
- cruise control
- 22ish MPG with an efficient turbodiesel engine

Note

This is not the ideal rental for tall people. The bed is laid out along the width of the van, so there's only 6' of room laying down.
