Cozy Adventure Awaits: Your Home on Wheels

Dreaming of outdoor adventure without sacrificing comfort? Our travel trailer makes it easy to enjoy nature while staying dry, cool, and cozy—no tents or sleeping on the ground required! Whether the weather keeps you under the canopy or cozy inside, this camper is ready for your next getaway.

Cook up your favorite meal on the two burner camp stove, relax under the easy up canopy with a bowl of chili, or savor your food at your outdoor dining table. Prefer to stay inside? The bed easily transforms into a sofa where you can stream your favorite downloaded shows or mirror your device on the provided iPad (if wireless service is available). After dinner, unwind with a game of Scrabble, cards, or a good book.

When nature calls, we've got you covered! While there's no onboard toilet or running water, we offer a solar-powered outdoor shower to freshen up between campground stops. And for those who want to bring along furry companions, our trailer comes stocked with essentials—food dishes, toys, tie systems, and tarps to keep one medium or two small dogs happy.

You'll stay cool even off the grid with a heavy-duty cooler that keeps ice for three days, mounted securely on the rear storage extender. Plus, if you love to overpack, there's plenty of space for extra luggage or a bundle of firewood for a cozy night (all available as add-ons).

Inside, thoughtful touches ensure a comfortable stay. You can store your food and snacks on the built-in shelves, charge devices with multiple outlets, and enjoy soft ambient lighting. Storage baskets by the bed are perfect for phones, watches, or even a glass of wine—just in case you drift off mid-sip.

Planning a bigger adventure? We also have additional gear available for rent at a small cost to make your trip even more memorable, including sleeping bags, tents, hammocks, walking poles, extra coolers, backpacks, etc. Delivery and set up also available for additional costs.
