Description:

This pristine beauty feels like a lovely tiny apartment on wheels. The back sofa/table sitting area transforms easily into a luxurious king size bed big enough for a person 6'2" to lay fully stretched out. Cute bathroom - with sit-down shower or convert the aisle if you need more elbow room. Nice size fridge. Two burner gas stove. Front captains seats swivel around to create second seating area for three to eat, work, or gather around for games and conversations. Bedding, dish sets for four, bike racks and even bikes available for additional fee. We love our van with all of our hearts and know you will, too!
