### Listing details

#### Description:

Thanks for clicking on our listing, meet Rochelle. She is cute, clean & functional! This pop up has a quick, simple set up process. The compact size makes traveling and towing easy; it can be towed by most vehicles. This camper is perfect for a couple or a small family, as it can sleep 3-5 people comfortably.

This pop up does not feature heat or air conditioning, however it can absolutely accommodate the use of fans or a heater, as it has electrical hook up capabilities. There is not a running water hookup in this camper - a portable camping sink is recommended and makes life at the campsite much easier!
