### Listing details

#### Description:

The details of this van will have you feeling right at home. With an open space layout, a queen bed, dining space for 2, and all of the necessities you need to hit the road; you can focus on your adventure and nothing else!

The front seat swivels to create a dining or work space for 2 people. The Lagun table system allows for you to set up your table however you feel that day.

Penny has everything you need to keep you comfortable and on the go. There is 30 gallons of water onboard, a large farmhouse sink, 2 burner gas stove with a 10lb propane tank, a fridge, an outdoor shower, and enough battery and solar power to keep everything charged and small appliances powered.

There is a ton of storage space for your clothes and plenty of room in the garage for your gear.

The windows open and have screens to allow ventilation, there is a Maxx air fan above the bed, an extra rechargeable fan and a small space heater should you need it.

The ladder leads you to a roof deck for stargazing!

#### Additional features

\*3,000 watt inverter plus 500amp hours of battery and 400W of solar. The batteries also recharge when you drive. A power cord will be provided should you need to plug in (likely you will never need to use this)

\*Memory foam queen bed is a dream

\*Curtains and magnetic window coverings for all windows for privacy at night

\*Bug screen for sliding door

\*Upgraded all terrain tires, Apple Car Play, Viper alarm and access to additional storage box if requested

\*Plates and all utensils for dining for 2, cookware, spices, coffee mugs, etc.

\*She fits in a normal parking spot and she's so easy to drive!.

Van is NOT 4x4 and is not allowed off paved roads.
